COMMERCIAL ASSESSMENT

Sales comparable information

A number of local estate and lettings agents have provided comparable information, local area information and letting information to help investors make an informed decision about the opportunity.

One can see on Right Move that similar and lesser second hand two bed apartments are listed from £200,000 to £230,000. There is also a new build 2 bedroom apartment listed at £230,000 and a 1 bedroom apartment listed at £200,000. These are just around the corner from 4 Queensway and ones we think are a lesser proposition to buy or rent when compared to 4 Queensway.

FREQUENTLY ASKED QUESTIONS

Q – How do you manage to secure such large discounts?

A - Developers need to hit their sales targets to release capital tied up in current developments to put into new developments. When they get desperate they can't be seen to discount their developments on the open market, hence they approach their trusted contacts such as me. I then offer these opportunities to my contacts on a very discreet basis. Developers offer me exceptional discounts because I sell properties in greater numbers.

Q – Why don't you buy all the deals yourself?

A – In truth, I would love to and I have done in the past. However, for now I have enough properties, nearly 90 in fact and I need to settle at that level for a while. I'm pretty much maxed out with all the mortgage lenders offering currently offering what I consider to be decent terms. There are plenty of other lenders that want my business, however, my personal investment strategy is highly dependent on being able to secure interest only mortgages at competitive interest rates. At the moment there are just not enough lenders in the market offering terms which are attractive to me.

Q - Do I have to use a particular broker, solicitor or financial advisor?

A - No. You can make your own decision on which companies to use; you can use your tried-and-tested ones, or we can direct you to companies that may offer you introductory discounts.

Q – Do you charge buyers an arrangement fee?

A – No, you will never pay any money to me, I am paid by the developer. You pay a reservation fee to the developer and the deposit to the solicitor you nominate.

Q – How do I proceed?

A - It's as easy as 123, and I will help you every step of the way.

- **Step 1:** Contact me to make an offer on a selected property. I will then negotiate directly with the developer to obtain the very best price for you.
- **Step 2:** Complete the reservation form sent to you by email, then send it back with a non-refundable reservation cheque for £1,000 made payable to the developer name as stated. Note this amount comes off the purchase price.
- **Step 3:** Liaise with the solicitor you nominate to ensure that exchange or completion takes place within 28 days of receipt of purchase contracts.

Mortgage Availability

The figures below are for guidance only and you should note that I am not a mortgage broker myself and that I am not authorised to provide financial advice. - Option 2 – 70% of the purchase price, interest only up to 25 years. Buy to let 2 Years Tracker 3.55% then Tracker 4.74% thereafter, £1,495 fees can be added to the loan.
